

## PRE-CONFERENCE: THE THIRD INTERNATIONAL BLASTING GEOLOGY WORKSHOP

### Final Program

Time	Topic
8.10 am	<b>Registration</b> Arrival Tea or Coffee
8.30 am	<b>Workshop commences</b> - Introduction to workshop (Trevor Little)
8:45 am	<b>Keynote Address Presentation 1:</b> Dr Dane Blair – Blast wave propagation in variable geology and geometry
9:45 am	<b>Presentation 2:</b> Dr Anne Charline Sauvage – What every shotfirer / blaster needs to know about geology and how geologists can help.
10:30 am	<b>Morning Tea</b> (30 minutes)
11:00 am	<b>Presentation 3:</b> Trevor Little – Engineering geology for blasting – Scoping the territory
11:45 am	<b>Panel / Open Discussion #1:</b> Morning presenters and from floor (Facilitator Trevor Little)
12:30 pm	<b>Lunch</b> (60 minutes)
1:30 pm	<b>Presentation 4:</b> Dr Markus Poetsch – Modern technologies for engineering geology acquisition relevant to blasting operations
2:15 pm	<b>Presentation 5:</b> Dr Ewan Sellers – Blasting related indices: The key to Underground Open Stopes Mine to Mill.
3:00 pm	<b>Afternoon break</b> (15 minutes)
3:15 pm	<b>Presentation 6:</b> Mike Lovitt – Underground blasting in challenging geological environments
4:00 pm	<b>Panel / Open Discussion #2:</b> Open discussion, workshop summaries, and workshop evaluation (Facilitator Trevor Little)
4:30 pm	<b>Workshop Concludes.</b>

### Venue

Luleå University of Technology, room F1031.  
Google map coordinates can be found [here](#)

#### Transportation:

By Taxi: Tell the taxidriver to take you to entry F16 at Luleå University of Technology

By Bus: Take bus no. 5 to Aurorum. The departure time is at 07:45 from the central part of Luleå (Smedjegatan). You should exit the bus at bus the location Laboratorievägen.

Please note that the buses do not handle cash, so you need to pay with card.

We will have staff meeting you up at F16-entry.

#### Support:

Gurmeet Shekhar + 46 (0) 920 493402  
Jeroen van Eldert + 46 (0) 920 491499
